Join the Bethel Dukes Branch, ASALH as we host historian and author Dr. Alison M. Parker from the University of Delaware to discuss *Unceasing Militant* on the life and legacy of Mary Church Terrell (1863–1954)

Born into slavery she would become one of the most prominent activists of her time, with a career bridging the late nineteenth century to the civil rights movement of the 1950s. The first president of the National Association of Colored Women and a founding member of the NAACP. Drawing on newly discovered letters and diaries, Dr. Parker weaves together the joys and struggles of Terrell's personal, private life with the challenges and achievements of her public, political career, producing a stunning portrait of an often-under recognized political leader.
