President and CEO of the National Caucus and Center on Aging, Inc.

Learn about the ongoing challenges of supporting older adults – regardless of race, ethnicity, or status. Established in 1970 to ensure that concerns of elderly minorities would be addressed in the then-upcoming White House Conference on Aging.

Since then, NCBA has helped protect and improve the quality of life for elderly populations, making certain that legislators, policymakers, philanthropists, advocacy groups, service organizations, thought leaders, and the public-at-large include minority seniors in their programs, policy-and-lawmaking, and giving.
