

ASLAH Governance Committee Report

November 19, 2022

The Governance Committee met on October 19, 2022. The following members were in attendance: Valerie Holt, Susan Simms Marsh, Anita Shepherd, Sylvia Cyrus and Zende Clark.

1. Executive Council Dues Report – All dues was due on June 1, 2022.

- a. Anton House owes \$500.00
- b. Randal Jelks owes \$1000.00

Each member is cycling off the Executive Council in December.

2. Standing Rules

- a. Recommendation:
 - i. No communication will be sent to the members of the organization without the approval of the President and/or the Executive Director

Rationale:

1. The President and Executive Director are the official representatives of ASALH. Because we are a 501 C3 we must take extra care to ensure that external communication (beyond the EC) is reviewed and approved by the Leadership. They should be aware of and approve all communication leaving the committees and going out into the public domain (including membership).

Respectfully Submitted,

Zende Clark, Chairperson
