SUBJECT: Nominating Committee Report, ASALH

The Nominating Committee successfully hosted an informational session (“**Join ASALH Leadership**”) at the ASALH Conference in Montgomery, AL (**September 30th 10-1140am**). The session was designed to inform the general membership of the duties and obligations of EC members, as well as a vehicle to recruit candidates for the next election cycle. We received a handful of members interested in running for the ASALH EC class of 2026.

The committee will host a two-day orientation for the EC Class of 2025: November 29, 2022, and December 5, 2022. Both sessions at 8pm via Zoom.

Next Nominating Committee Meeting is December 5, 2022.
