

Nominating Committee Report May 13, 2024

We had 31 submissions for the class of 2027. There was one candidate who submitted four times. The committee has met twice to discuss the candidates and will have a final meeting on Thursday, May 16 at 7 PM.

Submissions have been made for all open positions.

The committee would also like to report that it will be advising the Executive Council that we will need to hold a special election for the office of Student Representative Class of 2026. There will be one candidate for consideration Tomiko Meeks. The Council previously approved Albert Thompson, William Johnson, James Morgan along with Meeks for consideration. As the constitution provides for persons serving less than three years to be appointed to a seat, the committee has determined that the vacant seats should be filled by appointment. The 2024, 2025, and 2026 will be filled by Thompson (2024), Johnson (2025) and Morgan(2026) will be appointed. By our President to the vacant seats.

We will announce and open our already agreed to special election on Wednesday, May 15 at 12:01 AM EST and close it on May 22, 2024, at Midnight EST.

The committee will have a final report to the secretary on May 26th in preparation for the May 31-June 1 Executive Council Meeting.
