What I Hope to Accomplish as an Executive Council Member of ASALH:

Being a member of ASALH's Executive Council means serving the needs of ASALH and its members. Listening to leadership and membership while supporting the overall mission of ASALH to disseminate the history of African Americans in the United States, the Diaspora, and Africa. I hope to continue working with the Academic Program Committee, Awards Committee, and ASALH TV committee. I am a servant leader serving where I am asked to assist. My hope is that ASALH will continue to grow and nurture a new generation of members, leaders, and advocates, as I was nurtured by the previous generation.
