

Strategic Planning Committee Action Items

February 17, 2025

1. Adopt the Criteria/Scope/Perspective recommendations.
2. Should we receive proposals from ASALH Branches Dallas, Jacksonville, Indianapolis, Manasota, St. Petersburg, Tampa Bay and institutional members Ubuntu Project, Champaign-Urbana and Black Men Build, Miami Florida they should be grandfathered in. All have operated a freedom school and for the pilot program it is best to go with experienced programs.
