# JOIN THE TEAM - VOLUNTEER TODAY!

The Association for the Study of African American Life and History (ASALH) was founded by Dr. Carter G. Woodson in 1915. We continue his legacy of speaking a fundamental truth to the world—that Africans and peoples of African descent are makers of history. ASALH members and friends are planning the 110th Annual Conference, which will be held at the Omni Atlanta Hotel at Centennial Park from September 24 - 28, 2025. ASALH sets the annual Black History theme, and this year, we will explore African Americans in Labor.

Please share information about the conference and the volunteer opportunities that are available with individuals and organizations in your network.
