## **Previous Service to ASALH:**

I have not had the opportunity to volunteer and assist, but I am looking forward to doing so in the near future.

## **What I Hope to Accomplish as an Executive Council Member of ASALH:**

**Expanding Public Access to African American Historical Resources** As the Library Director of the Mount Vernon Public Library, I have firsthand experience in curating and expanding collections that highlight African American history. I aim to work towards increasing public access to vital historical documents, digitizing rare materials, and fostering partnerships with institutions that can help amplify ASALH's resources.

**Strengthening Community and Institutional Partnerships** I seek to build stronger collaborations between ASALH and public libraries, universities, museums, and community organizations. Through joint programming, speaker series, and educational workshops, we can ensure that African American history remains an accessible and integral part of the broader cultural discourse.
